

FUNDRAISERS

By Arlen and Ed.

Market Day

Market day is a yearly fundraiser where we have stalls and games to raise money for the school. This year didn't quite compete with the years prior due to bad weather but we still managed to make a whopping \$4,000! We had mystery jars, choc-lotto, pizza and a band that all helped raise money.

Shopping Spree

The Shopping Spree is a fundraiser that the school organises every year where some shops stay open late and have a discount so people can do their Christmas shopping. There is a drinks wheelbarrow and you buy a

bag with discounts and freebies. There is a raffle with cool prizes and a silent auction.

Race the train

Race the train is an event that occurred on the 16th of November where people try to beat a train from Castlemaine to Maldon and get the fastest time around 18km of gruelling and rocky dirt track. The students that race get sponsored to go an amount of kilometres and the money that they raise is donated to the school. The race also holds a colouring competition for the school and every year there is a different prize. This year the winners from each age group won a \$50 voucher for the bike vault. This year's lucky winners were Abi and Esther.
