

## Yard Duty and Supervision Policy

### Parents and Students

Maldon Primary School understands it holds a high standard of care in relation to students at school. Appropriate, well-organised and responsive supervision of students during class time, recess and lunch is an important aspect of keeping students safe at school. It also enables staff to identify and respond to possible risks at school as they arise.

All teaching staff participate in Maldon Primary School's yard duty roster and school supervision requirements, and follow clear procedures for responding to accidents or incidents in the playground and learning areas.

School staff are rostered on for yard duty before school, during recess, lunch and after school. School grounds are supervised before school from 8.45am. After school, staff supervise the school grounds until 3.30pm. Students on school grounds outside these times will **not** be supervised (unless they are attending a before or after school care program or supervised extracurricular activity).

Parents/carers are requested to ensure that students do not arrive early or stay late after school unless they are attending before or after school care, or a pre-arranged supervised activity (i.e. sports practice).

Maldon Primary School has in place a number of internal policies and procedures in place to respond to specific circumstances and potential risks in schools, including:

- camps and excursions
- first aid
- grounds management and tree maintenance

School staff, parents and students are encouraged to speak to the principal if they have any concerns about potential risks at our school, or our duty of care obligations.

### REVIEW PERIOD

This policy was last updated in August 2020 and is scheduled for review in August 2021. This policy will also be updated if significant changes are made to school grounds that require a revision of Maldon Primary School's Yard Duty and Supervision Policy.
