

# 5/6 Camp

By Harry

This year the grade 5/6s went to Roses Gap in the Grampians for camp. They did lots of amazing activities there such as abseiling, low ropes, kayaking and the giant swing! The list goes on and on! The grade 5/6s were in a section of the camp called the 'Gumnut Camp'. One of the bonuses of being in the "Gumnut Camp" was about 100m away there was a building called 'Bob's shed'. In it was a lot of fun things including a GIANT chess board, a ping-pong table and a MASSIVE movie screen!
