Principal's Chat

Hi everyone,

It's wonderful to see more students returning to school this week following the wave of illness in the school. Please ensure your child has fully recovered before their return to school to prevent the spreading of germs to others and to avoid any potential relapse. A lot of people have been affected by these illnesses and we hope everyone is feeling better soon.

Student Support Group (SSG) meetings for this term are scheduled for Monday 24th June and can be booked through uEducateUs from today onwards. An SSG meeting is where parent/carers, school staff and relevant agencies work together to plan and support the educational, health, social, cultural and emotional wellbeing of students with diverse learning needs. If you are unsure if you need to book in an SSG, please contact your child's classroom teacher or the office.

Teachers will use Friday this week to write student reports. Parents/ carers can expect to receive a paper copy of the Term 2 Progress Report (with work samples), along with the Semester Report (progression points and general comments) via uEducateUs. We've carefully considered your feedback from last term's Progress Reports and have made changes accordingly. Since this is a new report format, we welcome any additional feedback to ensure they are user friendly and informative. Reports will be distributed to families on Monday 24th June. We have scheduled our Parent Teacher interviews for the beginning of Term 3, so that follow up discussions from the report can occur during these meetings. Bookings for these interviews will open next Tuesday on uEducateUs. If you have trouble booking, please contact the school.

School Council has approved the 2023 Annual Report and it is now available for the school community to view on the school website. You can access the report with this link Annual-report-2023-1.pdf (maldonps.vic.edu.au). Please take the time to have a read and celebrate our progress and achievements over the 2023 school year.

Due to the number of students absent from school last week, we have kept last week's behaviour/values focus for this week. This week's whole school values/behaviour focus is: I am helpful (Be kind).

In class, the children will be working towards meeting these 'I can' statements –

I help others

I show initiative

I co-operate with my classmates

I share with others

I have included an article about how to connect your child into the

THIS WEEK AT M.P.S.

community. Click the link to read the article Community connections for children | Raising Children Network

If you know anyone with a child starting school next year, please remind them to complete the enrolment form to attend our school. Enrolment packs can be collected from the office or forms can be downloaded from our school website. The closing date for prep enrolment forms for 2025 is Friday, 26 July 2024.

Don't forget the students have an extra long weekend this weekend, with our Report Writing Day on Friday and then the King's Birthday public holiday on Monday.

Thanks

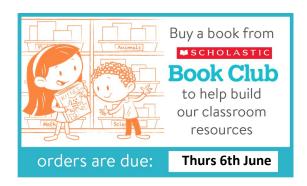

Alisa

Extra curricular catch up

Help us find a new before/after school care coordinator

Do you enjoy working with children, supporting their growth and helping them reach their full potential? If so, we have a fantastic opportunity for you!

Mt Alexander FDC is seeking a qualified Early Childhood Educator to run a Before and After School Care Program at Maldon Primary School. The program runs from Monday to Friday, and the role starts in term 3, 2024.

New educators register via Mt Alexander Family Day Care, where our leadership team provides all start-up and administration support.

If you would like further information regarding fees, compliance requirements or qualifications, please don't hesitate to contact Analeigh (Program Facilitator) at 0431 74 5097 or Lisa Girvan (Mt Alexander FDC) at 0474 315 849.

What's happening in the community?

aikido takemusu

tan ren dojo - Castlemaine

Japanese sword techniques, Ken-Jitsu. Dur training emphasises the ability to resultables an attack by harmonising with the attacker's energy once the initial point of resistance has been neet. This way, Alkido does not rely on striking blows or brute force methods to stop an attack. For this reason, Alkido practice has a much more comprehensive application than its martial effectiveness and provides the practitioner with a strategy to deal with life's challenges.

Beginners Welcome

We train in traditional (issuma-style) Alkido. Our classes cater for begins of any age, gender, background, and fitness level. Within 3 months, you will thoroughly understand the basics and feel confident in your training.

The best way to learn about Alkido is to join us on the mat. Your first lesson
