Dear Parent/Guardian,

Maldon Primary School is looking forward to another great year of teaching and learning and would like to advise you of Maldon Primary School's voluntary financial contributions for 2027.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through making contributions, fundraising or volunteering your time. Your support has made a huge difference to our school and the programs we can offer.

The contributions of families in the past have allowed us to:

- upgrade our basketball and downball courts
- update our texts and readers to reflect current interests and passions of our students
- purchase musical instruments including marimbas, drums and ukuleles
- purchase materials to develop students mathematical knowledge and problem-solving skills
- update our fleet of netbooks to ensure students have access to the latest technology
- upgrade our student toilets and the bike shed
- upgrade our school gardens

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Alisa Burdett
Principal
